

## Media Release

Throughout the year, class rooms and school activities are recorded by different media sources: ex: camera, video, voice recording, news paper articles, art work, hall displays, school and teacher web sites, etc.

The intent of these types of media are for education, self esteem, acknowledgement of activities, programs or grants we apply for and a venue to keep the public up to date on school activities. We post school work on bulletin boards and in the hall ways, we also have activities associated with the school such as; school concerts, morning music, 4H music grant, Discovery Room, awards and we do a year book or DVD at the end of the school year.

We are requesting your permission to use photographs, school work, video, or sound tracks to use throughout the school year for the above purposes.

- YES I grant permission for (print name) \_\_\_\_\_ to be photographed, video, recorded, and or work displayed at the discretion of Mt. Eccles and its staff.
